Mr. Napper, Mr Sheehan

I relayed your concerns to my supervisor. He has instructed me to change the pricing for the highlighted items. Although line five was typo on my part, most of the petroleum-based products have gone up in price.

I can see lines eight and nineteen would give you cause for concern. Unfortunately we cannot go any lower on these prices. The current price for a quart of Aeroshell \$12.95, this is a significant increase from \$9.96 per quart.

LINE	PART #	DESC	QTY	UNIT	OLD PRICE	NEW PRICE
